UNIVERSITY IDENTIFICATION SYSTEM

Effective Fall 1972 undergraduate and graduate students will be issued a photo identification card and a plastic, embossed and hollerith coded transaction plate. Photo identification card will not carry validations for either the current semester or for athletic privileges. Cards will be produced bearing a black and white photographic image of the student to whom issued and will contain the student's name and Social Security number. Students returning to the University from the previous semester will retain and continue to use their previously issued photo ID Card. The new photo ID will be issued automatically to new students and as replacements for lost cards.

The transaction plates will be embossed with the student's name and Social Security number and will reflect a status code to identify undergraduates (Code 1) and graduates (Code 2). Status code will precede the Social Security number. The status code and Social Security number will also be hollerith coded (punched) into the transaction plate. Finally, the transaction plate will carry embossed validation codes for Housing and Athletics. As in the past semesters, the University Food Service will issue a Food Service Photo ID Card to students who purchase board contracts. The reverse of the transaction plate will carry regulation statements and validating blocks for the use of the Athletic Department.

Students must carry a current University Transaction Plate in order to establish their right to be on campus in a student role, and to utilize the services afforded them by the University. The photo identification card by itself, is not valid proof of an individual's status. Replacement fees for lost cards will be \$1.00 for photo ID and \$5.00 for Transaction Plate.

The new Transaction Plates for pre-registered students including freshmen and transfer students processed during the Summer Orientation Program will be distributed in Ritchie Coliseum during the period August 28th through September 1st, according to the Alphabetic Registration Schedule printed on page 7. All other students will receive temporary transaction cards in Reckord Armory as a part of the normal registration process.

Questions regarding this revised system of identification should be referred to the Office of Student Affairs, North Administration Building, Room 211 or 214.

FOOD SERVICE IDENTIFICATION CARD

Fall 1972 Food Service ID Cards will be available in Dining Hall No. 1 on August 28 and 29 from 8:30 a.m. - 8:00 p.m. and on August 30 through September 1 from 8:30 a.m. to 4:30 p.m. Board Contracts must be signed before Food Service ID's will be issued. Students under age 21 must have board contracts signed by parent or guardian.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE – With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to familiarize himself with the degree requirements indicated in The Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE – Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 21 sem. hrs.

Any exceptions must be approved by the Dean. Forms for this purpose will be available in the Dean's Office and should be turned in with Registration Materials.

GRADUATE – limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship – limited to 10 sem. hrs.

FULL AND PART-TIME STATUS DEFINED

UNDERGRADUATE – Full-time – registered for 9 or more sem. hrs.

GRADUATE –

Full-time – registered for a minimum of 48 graduate units.

GRADUATE STUDENTS with a Teaching or Research Assistantship – registered for minimum of 24 graduate units.

TABLE FOR COMPUTING GRADUATE UNITS

COURSE NUMBER	GRADUATE UNIT
400 – 499	4 units per credit hr.
600 – 898	6 units per credit hr.
799 or 899	12 units per credit hr.

COURSE NUMBERING SYSTEM DEFINED

UNDERGRADUATE – eligible to register for courses numbered 000-499. Freshmen and sophomores (those who will have earned at least 56 hours by the end of the current semester) may not take 300-499 numbered courses. Any exceptions require special permission from the Dean.

GRADUATE – eligible to register for courses numbered 400-899.

COURSE NUMBERING SYSTEM

NUMBER	ELIGIBILITY
000-099	Non-credit course
100-199	Primarily freshman course
200-299	Primarily sophomore course
300-399	Junior, senior course not acceptable for credit toward graduate degrees.
400-499	Junior, senior course acceptable for credit toward some graduate degrees.
500-599	Professional School course (Dentistry, Law, Medicine) or post-baccalaureate course.
600-899	Course restricted to graduate students
799	Masters Thesis credit
899	Doctoral dissertation credit
	Courses with last digit of 8 or 9 can be repeated for additional credit

PASS-FAIL OPTION DEFINED

UNDERGRADUATE – Only one course a semester may be taken for Pass/Fail credit. Selection for Pass/Fail is limited to free elective courses. Courses used to fulfill requirements for a major or field of concentration, specific courses designated as degree requirements or the general education program cannot be selected for Pass/Fail credit. Courses not marked P/F in the Schedule of Classes are specifically excluded from the Pass/Fail grading option by the department offering the course.

Changes from P/F to regular grade or vice-versa must be made during the first week of classes.

Additional information pertaining to Pass/Fail option can be found in The Consolidated Undergraduate Catalog.

GRADUATE – Not eligible for the Pass/Fail grading option.

CONTINUOUS REGISTRATION DEFINED (Graduate Students Only)

Following advancement to candidacy for any advanced degree by the Graduate Council, every graduate student must register each semester, exclusive of summer session, until the degree is awarded. Contact advisor or Dean for Graduate Studies and Research for more complete information.

BACHELOR OF GENERAL STUDIES DEGREE PROGRAM

The Bachelor of General Studies degree, recently approved by the Board of Regents, differs from other current degrees in that it is a degree without a concentration in a specific discipline or department.

The BGS program permits the student to obtain an education in as broad a set of disciplines or thought patterns as are offered at the College Park Campus without insisting that he adhere to a previously defined curriculum with a departmental or divisional orientation.

In this BGS program, the burden for motivation and direction is on the student. Good advice will guide him, but institutional commands will not compel him. Although this program is clearly a significant departure from current practices at this campus, it does not depart from the high quality academic standards required of other programs.

Students who elect this program should specifically be aware that it is not designed to satisfy graduate school admission requirements or professional employment requirements. The very concept of the BGS is predicated on a broad ranging educational objective and not on the more specific requirements of graduate school and professional employment. It will be some time before the attitude of employers and graduate schools become clear toward the graduate of the BGS program. Students electing it must be aware of these uncertainties and accept the responsibilities.

Additional information may be obtained from Dr. Margaret Carthy in the Office of the Dean of Undergraduate Studies (telephone: 2530/31).

REQUIREMENTS

To receive a Bachelor of General Studies degree, a student must satisfy the following requirements:

1. *A minimum of 120 credits must be accumulated with a grade point average of at least 2.0 in all courses.*
2. *No more than 30 credits in any one department may be applied toward the required 120 credits.*
3. *The courses taken must be distributed over at least three divisions with a maximum of 60 credits in any one division counted toward the required 120 credits.*
4. *At least 45 credits must be taken at the upper level (courses numbered 300 or higher); a 2.0 average must be obtained in all upper level courses.*
5. *The student must be registered as only a Bachelor of General Studies major for at least the last 30 credits immediately preceding the awarding of the degree. A student who wishes to earn a second baccalaureate must satisfy all University requirements for the earning of two degrees.*
6. *The student pursuing the BGS program shall be advised by a faculty member either appointed by or acceptable to the Dean of Undergraduate Studies.*

GENERAL EDUCATION REQUIREMENTS

The following specific courses may be used to satisfy the General Education requirements. The course descriptions appear in the Consolidated Undergraduate Catalog. In addition, a student may (within the limits of his particular curriculum) satisfy a General Education requirement in each category with any designated course for which he is eligible by placement examination, department evaluation, etc. Further questions should be directed to Rm. 105A, Skinner Bldg.

FOREIGN LANGUAGE PLACEMENT

ARTS AND SCIENCES REQUIREMENTS: If a student has had three years of one foreign language or two years each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign languages in the college, although he may elect to do so.

FRENCH DEPARTMENT: Students who have had two or more years of high school French are required to take the Placement Exam. They may place in French 101 *for credit*, French 103, French 104, or higher. Admission to French 102 is limited to those who have completed French 101 at the University of Maryland, College Park. Students with less than two years of high school French or with a five-year gap in their French studies may take French 101 *for credit*. Transfer students with some college French should consult the department for placement. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain as to their ability to take Span. 104, or (2) they wish to be exempted from Span. 104.

Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Span. 101 for credit, only if there has been a four year lapse between the last high school Spanish course and his first college Spanish course.

Students who feel uncertain as to their ability to take Span. 104 may opt to take Span. 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the Arts and Sciences language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

FOREIGN LANGUAGE PLACEMENT EXAM SCHEDULE
